# OE DESK

Office Everywhere

Since 2005, Artmatrix began to explore design concepts that would reflect the social and technological changes driving new behaviours at work. Recently when Covid-19 pandemic strikes, we aware that nothing's more constant than change. This fact of life repeatedly presents us with new challenges, but also offers us with new opportunities. Therefore, OE Desk is innovated to solve complex issues of workspace in a simpler way.

OE, stands for Office Everywhere, is a highly mobile workstation on wheels that is designed to contribute to individual with work from home constraint. A flexible, light, mobile, foldable and excellent quality of OE Desk makes it possible to create private space at anywhere and everywhere instantly. OE Desk space saving design gives it a good camouflage nature as it can be easily folded to keep when not in use. Therefore, OE Desk makes the best option for highly dynamic environment, including small offices, home offices, library and even extended to gaming environment.
