xera  
Xeranthemum

# xera

This time Joe's inspiration as a designer took him to southern Europe where Xeranthemum which is a group of plants in the sunflower family is a native to. Xeranthemum as Wikipedia puts it as a silvery flower heads with purplish tubular flowers is a symbol of eternity and immortality.

Xera our new extended family of office lounge chairs, like the flower itself adapts to its vast environment to grow and transform itself from an office task chair

- ~ into a seminar / training chair with nesting function
- ~ into another cafeteria / hospitality lounge chair with stacking possibilities
- ~ into a gang / public seating lounge chair.

With a large array of plastic components, we have added 4 colours as an embodiment of cheerfulness under adversity.

## xera GO GREEN

Xera is built up from individual components and most of Xera parts are made of polypropylene and nylon gloss filled material which guarantee its use with long useful product life. The entire chair is highly recyclable and certified green.

# xera COLLECTION

Xera is a multipurpose chair, designed to satisfy your seating needs with offering versatile solutions to harmonize perfectly in offices, seminar rooms, cafeteria areas and waiting areas. Xera collections come with 4 different models, Swivel Chair, Nesting Chair, Stacking Chair and Link Chair, with a wide variety of colours.

## XERA SWIVEL OFFICE TASK CHAIR
