

ZEUS

Savvy Yet Clean

ZEUS

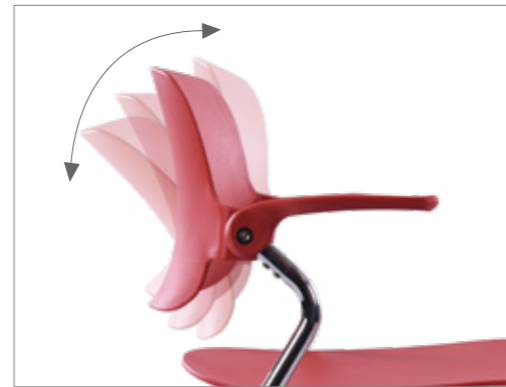

Zeus is a multipurpose chair which is perfect for multi-purpose areas and common spaces, such as lecture room, training room, meeting room, and cafeteria. Its lightweight and durable steel frame is ideal for spaces which need reconfiguration constantly.

Zeus is made of polypropylene with 15% fiber glass for additional strength. Its ergonomically shaped backrest and seat provide natural contour for body and comfortable seating experience for extended working sessions.

An optional leg structure with castors or glides completed the simplistic design of chair, which is a perfect solution for highly dynamic environment.

Backrest and seat pan given a wide range of vibrant colours selection whereas chair frame comes in chrome and silver. This offers a broad selection of colour combinations for Zeus to suite personal taste.

Zeus tilting backrest with 19° rotation angle supports sitter's lower back and offers ergonomic comfort. The zinc die-casting moving with tension spring made up the back tilt mechanism.

A robust steel structure of Zeus provides optimal durability to cope with the need for regular rearrangement and stacking.

All Zeus chairs, either come with castors or glides can be stacked up to 5 chairs high on the floor and the cart. This maximizes the storage capacity when space constraint is a concern.

Zeus chair with castor wheels provides quick and easy arrangement in informal and flexible spaces. This nylon castor provides high load capacity for effortless mobility.
